How to ask questions?

Submit your questions via the Questions panel

Government announces \$1.3b "modern manufacturing initiative"

New national manufacturing priorities

- resources and critical minerals
- food and beverages
- medical products
- recycling and clean energy
- defence
- space

What do we
mean by
innovation?

Will **innovation** be
the word of **2021**?

How do you
create an
innovative
economy?

We have so many
smart people, but
we fall flat on
commercialisation

Q&A
